Review of Agenda

- The group made a round of introductions of the member present. Staff then began the nominal group exercise.
- After the exercise, the group determined the priority order by which future topics would be addressed at which meeting. Based upon this ranking, the group agreed that the first priority item to be addressed would be nonconforming/obsolete signs.
- Marsh Prause requested if staff could provide a survey of, in general, what other similar size jurisdictions are doing in relation to nonconforming/obsolete signs. Staff agreed that an informal survey would be conducted and provided to the group at the next meeting to help facilitate the discussion.

Next Steps

The next meeting will be July 24th, 2008 from 10:00 a.m.-12:00 p.m. in the Lake Townsend Conference Room at the J. Edward Kitchen Operations Center.

We will begin reviewing the survey and discuss issues revolving around nonconforming/obsolete signage.
